

29 June 1963

MEMORANDUM FOR

✓ 1. Either Sid Gottlieb or Gene Kiefer (I think Sid) was going to send me up some letters for the members of the which would gently let them off the hook and allow to pick his own people.

M 9054 ✓ 2. Gene Kiefer was to give me a memorandum of information on electrostatic discharges which fogged some of our recent exotic film, and the possible failure to make appropriate pre-launch checks. Please check on that.

✓ 3. Please give me a draft letter to Shef Edwards re his retirement and long service.
